Conditions

- The fee per student is based on a minimum of 50 students attending.
- If your predicted numbers are below 60, you may be required to share the site with another small group to better utilise Arbury Park facilities.
- The total group fee will be calculated on numbers attending, or 80% of the estimated numbers on your booking application form, whichever is higher. For example, a school that books for 85 students and brings only 60 will be invoiced for 68 students. Please be as accurate as possible with numbers on your booking application.

Adult supervisors

- Department guidelines require a minimum of one adult supervisor per 15 students. Some groups, for example Junior Primary groups, may require greater adult supervision than this ratio.
- At Arbury Park, adult supervisors up to a ratio of 1 per 10 students are not charged a camp fee. Additional adults are charged at the same rate as students.

Day visitors

- Student day visitors may only participate in a camp program if there are cultural or medical reasons for them not staying overnight.
- A maximum of 10 student day visitors can attend providing the total number of students on site remains below 90.
- The number of adult day visitors during your program needs to be negotiated with the Arbury Park program coordinator and a list of their names provided in advance.
- Adult day visitors requiring catering must be included on the *Catering numbers* form submitted the week before the camp.
- All visitors must report to the front office on arrival at the school.
